FROM

LESLIE C. COLEMAN, ESQ., M.A., PH.D.,
MYCOLOGIST AND ENTOMOLOGIST TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE,
BANGALORE.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Geml. and Rev. Departments, Bangalore.

Sir,

In my letter No. 477 of April 6th 1911 I had asked for the appointment of 6 temporary Fieldmen for 3 months and of 4 for 6 months which the Government were pleased to sanction in G.O. No. R. 5801-5/Agri.109-10-2 dated 17th April 1911. In conducting spraying work during the current year's monsoon it became necessary to respray several gardens on account of the fact that the mixture was washed away by heavy rains which fell soon after the first spraying. This fact in its turn interfered with the inspection of a large number of the sprayed gardens and the consequence is that some of the temporary fieldmen whose appointment was asked for only three months have to be retained for a longer period than three months. In fact I had to recall one of the men who had been sat away after the three months. I request that you will be good enough to obtain the sanction of Government for the retention of ~~two men~~ one man for an additional two months.

I have the honor to be, Sir,
Your most obedient servant,

Leslie C. Coleman
